OBJECTIVE

I have pursued BE Electronics and Communication Engineering from Visvesvaraya Technological University. Seeking a growth oriented career by working with a system oriented organization to utilize my knowledge and skills for the benefit of the organization.

WORK EXPERIENCE

ONE ZERO GROUP [2017 – 2020]

- I worked as a business development executive in one zero InfoTech Pvt Ltd
- My primary role was to identify client and work as a CSR.
- I identify businesses in a region who are potential clients need a website to boost their business.
- Contacting them and attend direct meeting with the company. Presenting a business idea and projection they could make in market with a website to showcase their product and services.
- Creating a legal agreement which bind the client and the company.
- I work as an intermediate between the developer and client. From understanding the requirement of client and adding valuable ideas which will nourish their concepts.
- I convey these requirements to the developers who work on the website.
- Final product analysis was done at client side and review their insights about any changes or updates.
- To provide training to an employ at client side on working with admin panel.
- Ensuring successful deployment of the site and ensuring completion all financial commitments.
- Handling Social media handles & creating graphic contents of multiple business under ONE ZERO GROUP.

REF: Santhosh T J (Managing Director)   **CONTACT: +91 9847021610**

ICASD [2020 – Present]

- I worked as a technical adviser for ICASD.
- I performed the role of Social media manager, Business Head, Content creator in ICASD
- I used my skill in video editing, Photoshop and other content creating platforms to boost the business of this startup venture.
- I worked as a graphic designer.

REF: Sreenath (Educational Director)   **CONTACT: +91 9633373312**
